From the President’s Pen:

Dear Members and friends,

On May 7th at 6:00 PM we will be hosting our ASHRAE refrigeration tour of the CBN Facility Ice Storage System. There is no charge for the tour and we will meet up at the Ruby Tuesday at 1250 Fordham Drive in Virginia Beach afterwards. Dinner will be a pay-your-own event.

Our Spring Golf tournament at Sleepy Hole Golf course is Thursday, May 16. The proceeds go to the ASHRAE/IFMA Scholarship. This has been pivotal in getting young engineers/students involved in the ASHRAE student events at ODU and now we are getting off the ground with a chapter at Portsmouth TCC.

We have combined our Family Night at Harbor Park for ASHRAE research promotion to also serve as our Membership Appreciation Event for the year. We will provide 2 beverage tickets to every adult that is at least 21 that has a ticket to the event. We greatly appreciate your support and really would love to see you at the event.

We are currently looking for members to serve on committees to help out with events, etc in the upcoming year. If you can serve in some limited fashion please email me at PaulFButler@yahoo.com or contact any of our board members.

For the upcoming year – don’t forget to take advantage of our Season Pass for $140.00. This is a savings from pay as you go to the meetings and is a convenient way to meet your professional continuing education requirements. You can access the online payment by clicking on the “Reservations” link on the top and lower portion of our home page or using this link: http://hamptonroads.ashraechapters.org/reservation.html

THANK YOU for making it happen for ASHRAE in Hampton Roads!

Paul Butler - Hampton Roads Chapter President
