November 2017
Newsletter

Chapter cannot act on behalf of Society

Next Meeting - Tuesday, November 14th
Vibration Isolation and Seismic Restraint of
Equipment
Presented by Johnathan Reinhardt of [Mason](#)
[Industries](#)

Location: Clark Nexsen
[4525 Main Street, Virginia](#)
[Beach, Suite 1400](#)

Lunch and networking at
11:30. Tech session at noon.
\$20 Members

Learn how mechanical equipment must be selected, and equipment spaces designed, with an emphasis on both the intended uses of the equipment and the goal of providing acceptable sound levels in occupied spaces of the building. This lecture will also cover design and selection of equipment support for seismic applications

\$25 Non-members

to ensure occupant safety and building system functionality in the wake of a seismic event.

[Full Description and Speaker Bio](#)

See chapter [website](#) for full details on the 2017-2018 technical program and updates.

Season passes available on the chapter website. Get nine lectures for the price of six.

10th Annual E4K Pig Roast Benefitting Southside Boys and Girls Club

The 2017 Energy 4 Kids event was another roaring success this year. Beautiful weather at Chesapeake City Park lent itself well to a fun filled evening full of good music, great food, and wonderful company! To all those who made it out to support the Southside Boys and Girls Club, especially our sponsors, ASHRAE HRC would

like to wish you a resounding thank you! We could not have this event without all of you and it really shows.
